

SECTION 3

Groups of Five

- ▶ UNDERTAKING/APPLICATION
- ▶ SETTLEMENT PLAN & FINANCIAL ASSESSMENT
- ▶ SPONSOR ASSESSMENT, DOCUMENT CHECKLIST, USE OF REPRESENTATIVE

The Private Sponsorship of Refugees Application Guide [IMM 5413](#) contains various forms that must be completed as part of the sponsorship application your group submits to the Resettlement Operations Centre - Ottawa (ROC-O), part of Immigration, Refugees and Citizenship Canada (IRCC).

Undertaking/Application to Sponsor IMM 5373

At the top of the Sponsorship Undertaking sponsors must identify whether their sponsoring group is a SAH or CG, a Group of Five, or a Community Sponsor.

Section B of the Undertaking requires the Group of Five to provide its name and personal details of the group representative. Remember to use the same group name on all the forms. Some groups choose to name themselves after the refugee or the group representative, while others use the name of their favourite club.

All forms for sponsoring as a Group of Five are available online at:
<http://www.cic.gc.ca/english/info rmation/applications/private.asp>

The group must identify a group representative. Be sure it is someone who can communicate effectively in one of Canada's two official languages and who can be easily reached by the local IRCC office and ROC-O. ROC-O will communicate with the group representative regarding issues with the sponsorship application. Group representatives may also designate another individual as their representative to IRCC by filling out an [IMM 5476](#) (discussed later).

In **Section D** all five members of the sponsoring group must provide their personal and contact information. If your group has more than five members, they should include a copy of the relevant page of the form with the additional information. All group members or representatives should indicate if they have ever signed any other Undertaking to sponsor refugees or family members. If they have sponsored someone before they should provide the details of the other sponsorship(s) including name, date of birth, immigration file number, period of sponsorship and status of the sponsorship on a separate sheet and attach it to the current Undertaking. This question helps ROC-O review the sponsorship history of the group members and assess whether group members or representatives are eligible to participate in the sponsorship. The ROC-O officer will have access to past sponsorship information and will verify if the groups members are involved in other sponsorships. The questions must be answered in an honest and truthful manner.

Sample Case

Ezekiel and his wife want to sponsor Malu and his family using a Group of Five. They have discussed this with their cousin, Rachel Toko (DOB: January 11, 1980), and friends, Samuel David (DOB: June 29, 1985) and Mohammad Ahmad (DOB: July 07, 1981). Ezekiel has known them since he started working with the City of Blueknife. All of them earn a decent income while his cousin owns a restaurant. All group members are Canadian citizens and reside in Blueknife and the surrounding areas.

Figure 1 illustrates completed sections of the Sponsorship Undertaking for the group representative and one group member.

Section E allows your sponsoring group to list the personal and contact information of the refugee(s) you are identifying for sponsorship.

The principal applicant should be the individual with the stronger refugee case. It is important to list all family members in this section whether they are accompanying the principal applicant or not. The *One Year Window of Opportunity* provision provides a mechanism to reunite spouses and dependent children who are missing or unable to be processed together with the principal applicant. However, they must be listed on the [IMM 0008](#).

The sponsor undertakes the legal responsibility to support all family members listed, even if they arrive through the *One-Year Window of Opportunity* application.

One Year Window of Opportunity (OYW) is a regulatory mechanism that allows non-accompanying family members to submit an application and be eligible to be processed in the same class and category as the principal applicant (PA) for up to one year following the PA's arrival in Canada. All family members must be identified on the PA's application form. For more details refer to Paragraph 141(1) (b) of the Immigration and Refugee Protection Regulations.

If a family member has not been included in the Sponsorship Undertaking and IMM 0008 forms, they will not be able to come into Canada as a family member.

It is important to provide the exact mailing address of the refugees, which should be accurate and kept current throughout the application process. During the sponsorship process it will be necessary for the Visa Office to contact the refugee applicants. If applicable, the group can also provide an alternate address.

Sample Case Continued

Ezekiel has received the completed IMM 6000 and required documents from his brother. When submitting the Undertaking/Application to Sponsor, the sponsor will be required to fill out two Undertaking forms - one for Malu and his family and one for Kimbala, because Kimbala is neither his biological son nor his legally adopted son. He is thus a *de-facto* dependent of Malu. Both files can be linked so that they can be assessed at the same time.

Figure 2 demonstrates how Kimbala's application form is linked in Malu's application form. Malu's application can be linked to Kimbala's application by putting his name and date of birth in section G of Kimbala's undertaking form.

Any discrepancy or contradiction in the refugee's personal information could raise credibility issues. Sponsors should make sure that the personal information and spelling of the applicants' names are accurate and consistent with what has been included in the IMM 6000 package and supporting documents.

Section G allows sponsors to link multiple Undertakings so that they can be processed at the same time. This is useful where sponsorship cases require separate Undertakings that relate to and/or emanate from the same grounds of persecution or involve family members (i.e. adult children, siblings, etc.). To do so, simply indicate on each Undertaking the name and date of birth of the principal refugee applicant that corresponds to the case you would like linked.

Figure 2

NAMES OF OTHER PRINCIPAL REFUGEE APPLICANTS LINKED TO THIS UNDERTAKING	Date of birth	Client ID no.
Kimbala Frederic	Y M D 1 9 9 0 0 2 0 2	
	Y M D 	

Section H - the group should list any close relatives of the refugee who are already living in Canada. Relatives include parents, siblings, aunts, uncles, cousins and adult children. Friends are not considered relatives.

Sections J and K – each party to the sponsorship (all members of the Group of Five and the co-sponsor, if applicable) must read these sections, check the appropriate box, and then sign and date **sections J and K**, preferably in pen with blue ink.

The application will be returned if all relevant partners to the sponsorship do not sign it. **Signatures have to be original and dated.** Any photocopy, including a scanned copy, might not be accepted. By signing this section, each part to the sponsorship undertakes the legal responsibility of upholding the obligations of the sponsoring group that are listed in **Section I** of the Undertaking and the Settlement Plan.

If sponsors wish to give their reasons for sponsoring the applicants mentioned in the form, they can provide a "Sponsorship Rationale" on a separate sheet of paper and attach it to the Undertaking. Sponsors can also explain why they consider the refugees to be eligible for sponsorship, that the refugees do not have any other durable solution, and why Canada is the preferred choice for resettlement. Even though providing this information is optional, sponsoring groups are encouraged to do so.

Settlement Plan IMM 5373A

The [Instruction Guide](#) defines the Settlement Plan as a "planning tool for sponsoring groups to formulate how they intend to deliver the various aspects of settlement assistance needed to help the refugee applicant(s) establish successfully in Canada." This is the tool used by ROC-O to assess whether your group is providing the resettled refugee with the necessary settlement and financial support. The more details provided, the easier it will be for the officer to make this assessment.

Section B allows for the members of the Group of Five to indicate the monetary and in-kind support they are offering, and its corresponding dollar figure. In-kind deductions are donations that the group will provide for the refugee in the form of goods, commodities or services. There is a cap on how much a group is permitted to pledge as in-kind donations to reduce the cost of the sponsorship; this calculation is given in the table on page 3 of the [IMM 5373A](#).

Sample Case Continued

Ezekiel and the other group members have collected some in-kind donations, notably furniture and clothing. The value of these items is estimated at \$ 2,000 and \$ 1,000, respectively.

Figure 3 illustrates how Section B would be filled out in this case.

NOTE: Since the application involves two linked cases, the group should be prepared to provide the required financial amount. The sponsorship costs of the family equal \$34,800, that is \$ 23,000 (for Malu, his wife and son) plus \$11,800 (for Kimbala). Although the group completes two Undertaking forms, if the family will be living together they can choose to fill out only one settlement plan.

By using in-kind deductions, a sponsoring group can reduce the amount of financial commitment they need to show IRCC. If in-kind deductions are above the permitted maximum, ROC-O will either reduce the amount to the permitted maximum or return the application if the finances are insufficient for the refugees' settlement needs.

Figure 3

B - SETTLEMENT NEEDS CHECKLIST

* *Settlement Needs:* For each settlement need, specify if your group can provide monetary or in-kind support and give the corresponding dollar figure.
 * *In-Kind:* means that your group will provide settlement need in goods, commodities or services instead of money.
 * *In-Kind Deductions:* Using the rates provided in the In-Kind Deduction Table, print the dollar value for each form of settlement assistance for which an in-kind support is available. The total value of the in-kind support will be deducted from the cost of your 12-month sponsorship.

Section C gives details on settlement responsibilities. Each settlement need is explained in the Instruction Guide, which should be read carefully before completing the plan. The group should assign at least one person to each responsibility, give his or her availability and develop a contingency plan should the member become unavailable for any reason. Ensure that settlement responsibilities are fairly distributed among group members. Consider each member's availability and abilities when assigning tasks.

The group should also indicate if they are using any in-kind donations and how they will gather them.

Sample Case Continued

Figure 4 illustrates how the settlement details for housing were filled out by Ezekiel and his group members. All other sections should be filled out in a similar fashion.

Figure 4

Rent deposit	<input type="checkbox"/> No <input type="checkbox"/> Yes <input checked="" type="checkbox"/> N/A	Hook-up costs (telephone, electricity, gas, heat, etc.)	<input checked="" type="checkbox"/>	
Explain your contingency plan in case the arrangement does not work out In case the basement of Ezekiel is unavailable or the family could not live in the basement, the group plans to rent a place where the family could live and they have already scouted available housing in their area.				

Sponsors should also expect the unexpected and have a contingency plan. A contingency plan offers an alternative arrangement if, for instance, members of the group are not available to offer settlement assistance or the in-kind donations do not fit the newcomers needs or the planned financial arrangements are not sufficient.

Finances are an important part of any sponsorship. In **Section D** the group members will outline their financial ability to sponsor the family. This section should be filled out in conjunction with the Financial Profile form, which will be discussed later in this chapter. Under the financial commitment section, group members will specify the amount of money they have pledged to contribute towards the sponsorship (this can be found in **Box B** of their individual Financial Profile form).

A note on Trust Accounts
"The sponsoring group may establish a trust fund for the sponsorship but may not accept or require payment of funds from a refugee for submitting a sponsorship...[if] the refugee is not accepted for resettlement in Canada, funds held in trust for the sponsorship of that refugee, including ...interest, must be returned to the donor."

- [Found on IRCC website: Guide to the Private Sponsorship of Refugees Program](#)

Beyond the monetary and in-kind contributions of each individual group member, the group may also choose to use other sources of funds including pensions, investments, and/or trust accounts and must indicate the amount of the contribution.

The financial commitment of all group members combined, plus any other sources of funding added to the amount of in-kind deductions being used, should be equal to or greater than the total cost of sponsorship as outlined by IRCC in the Sponsorship Cost Table found on page 3 of the IMM 5373A.

Sample Case Continued

Figure 5: In sponsoring the Frederic family, the group's total financial commitment is \$18,000 and the value of in-kind deductions is \$16,800. When added together, this equals \$34,800. The cost of sponsoring a family of three according to the Sponsorship Cost Table is \$23,000. Given that the *de facto* dependant has to be considered an additional single individual, we must add \$11,800 to that amount. The total sponsorship cost in this case would be \$34,800 which equals the financial commitment of the group plus the in-kind deductions.

Financial Profile IMM 5373B

IRCC uses the financial profile to determine whether the sponsoring group will be able to provide the financial support and settlement assistance required to allow refugee applicants to establish themselves successfully in Canada during the sponsorship. All group members who contribute financially to the sponsorship are expected to fill out this form and indicate how much they are earning and contributing towards the sponsorship.

Sample Case Continued

The amount of funds committed by group members is indicated in Section G, Box B of the Financial Profile form. How much one can contribute varies but must be reasonable considering the income of the member. It should account for other financial commitments, including responsibility for themselves, family members and any other sponsorship responsibilities.

Sponsor Assessment IMM 5492

For Groups of Five, each member of the group who also signs the Undertaking is required to fill out the [Sponsor Assessment form](#). By completing the form, individuals confirm that they are eligible to participate in the sponsorship of refugees.

Document Checklist IMM 5437

This form must be completed and submitted with your completed Refugee Sponsorship Application. The document checklist is the same for all three types of sponsors and it is important that sponsoring groups identify the type of their sponsorship group in the top of the first page before completing the form.

Use of Representative IMM 5476 - This form is optional.

IRCC defines a representative as “someone who has provided advice, consultation, or guidance to you at any stage of the immigration application process, or in an immigration proceeding. If someone represented or advised you to help you submit your application, then that person is your representative. A representative is also someone who has your permission to conduct business on your behalf with Immigration, Refugees and Citizenship Canada (IRCC) and the Canada Border Services Agency (CBSA)”.

In the context of private refugee sponsorship, a representative may be a third party (e.g. a relative, a friend, an immigration consultant) authorized by the sponsor or by the principal applicant to enquire about the sponsor/refugee application on their behalf. In some cases sponsors may ask the refugee(s) to fill out this form to identify the sponsor as their representative.

Application for Convention Refugees Abroad and Humanitarian-Protected Persons Abroad IMM 6000

In order for the application package to be complete sponsors must ensure that [IMM 6000](#) forms are completed and signed by the refugee applicants and that all required supporting documents are enclosed. The IMM 6000 application package has to be submitted to the ROC-O together with the sponsor’s forms.
