

IET101 FALL 2023 Course Schedule

25 Sep - 3 Dec, 2023

On the first day of the course, to access the online course materials, enrolled students must login to the course website at <http://etraining.rstp.ca> by using the username and password that you created upon registration.

Students are responsible for meeting scheduled deadlines as listed below. Students are encouraged to stay on track by completing the scheduled readings and weekly quiz by the end of each week; previous modules readings and quizzes must be completed before students will be able to attempt the new week's quiz.

Students are expected to complete Modules 1 – 4 (all readings and quizzes) no later than the 22nd Oct 2023 (11:59pm EST). Those who do not meet this requirement will automatically be unenrolled from the course*.

Similarly, students will have until the 19th of Nov 2023 (11:59pm EST) to complete all readings and quizzes from Modules 5 - 8 before access will be given to attempt the final exam**.

The **final exam** is the last requirement to complete the course. Students will have 2 hours to complete the exam which is due no later than the 3 Dec, 2023 (11:59pm EST).

There are also four webinars available for course participants to voluntarily participate in:

- 25 Sep, 2023 - Course Orientation
- 25 Oct, 2023 - Review of Quizzes 1-4
- 22 Nov, 2023 - Review of Quizzes 5-8
- 07 Dec, 2023 - Review of Final Exam
